Beautiful glass bead interiors has had a constant growth in popularity due to the versatility of colour and we are constantly evolving our ranges to accommodate and exceed today's expectations.

Custom colour blends only limited by your imagination.

Our glass is a showcase in color and texture that continues to excite, so beautifully smooth to touch, the roundness creates a level of unbelievable comfort.

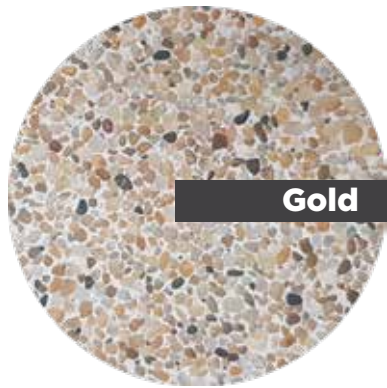

PEBBLE FINISHES

Is the plasterers preferred choice.

The industries favourite pool interior, a fine grade natural pebble.

Price and durability.

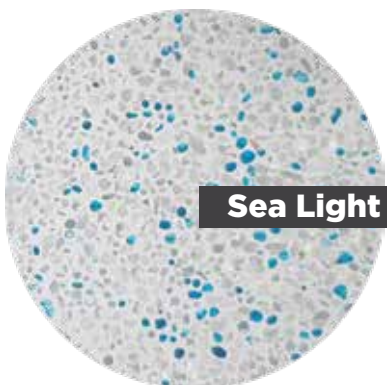

When blended with glass and the inorganic oxide, it takes a classic to a new era with endless options and finesse.
